Here's how: Call us at the phone number given below, or write us at the address given below, in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. ELECTRONIC FUND TRANSFERS (EFT) BY NON-RECURRING PREAUTHORIZED TRANSFERS

A. TYPES OF NON-RECURRING PREAUTHORIZED TRANSFERS:

- 1. You may purchase goods or pay for services with a check at the point of sale and authorize the merchant or service provider to convert your check into an EFT by capturing the routing, account, and serial numbers to initiate the transfer by an electronic check conversion.
2. You purchase goods or pay for services by mailing a check to the merchant, a lockbox, or other payee that is later converted to an EFT by electronic check conversion.
3. You make a payment through a bill-payment service available to you via a computer or other electronic means that initiates an ACH debit entry to your account using MICR information you have provided, without producing a paper draft, is an EFT by electronic check conversion.
4. You are asked to authorize at the time you offer a check to a merchant or service provider to electronically collect a charge in the event the check is returned for insufficient funds. Paying such a fee electronically is an electronic fund transfer.

A consumer authorizes a one-time electronic fund transfer (in providing a check or the information from a check to a merchant or other payee for the MICR encoding), where the consumer receives notice that the transaction will be processed as an EFT and completes the transaction. Examples of notice include, but are not limited to, written statements and the posting of a sign.

DISCLOSURES THAT APPLY TO ALL ELECTRONIC FUND TRANSFERS

B. LIABILITY FOR FAILURE TO MAKE TRANSFERS

- 1. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:
i) If, through no fault of ours, you do not have enough money in your account to make the transfer.
ii) If the transfer would go over the credit limit on our overdraft line, if any.
iii) If your account is frozen because of a court order or some similar reason.
iv) If the automated teller machine where you are making the transfer does not have enough cash.
v) If the terminal was not working properly and you knew about the breakdown when you started the transfer.

- vi) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- vii) There may be other exceptions stated in our agreement with you.

C. CONFIDENTIALITY – ACCOUNT INFORMATION DISCLOSURE

We will disclose information to third parties about your account or the transfers you make:

1. Where it is necessary to complete transfers, or
2. In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant, or
3. In order to comply with government agency or court orders, or
4. If you give us your written permission.

D. ERROR RESOLUTION PROCEDURES

In case of errors or questions about your electronic transfers, call or write us at the telephone number or address listed in below, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

A. ERROR RESOLUTION NOTICE

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

B. EXTENSION OF THE TIME PERIOD

1. The application time is 20 business days in place of 10 business days if the notice of error involves an electronic fund transfer to or from the account within 30 days after the first deposit to the account was made, if you are a new customer.
2. The applicable time is 90 days in place of 45 days of investigation, if a notice of error involves an electronic fund transfer that:
 - (1) Was not initiated within a state;
 - (2) Resulted from a point-of-sale debit card transaction.

You may ask for copies of the documents that we used in our investigation.

YOUR ABILITY TO WITHDRAW FUNDS

Our policy is to make funds from your deposits to Personal Checking, Business Checking, and Now Accounts available to you on the first business day after the day we receive your deposit. At that time, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and holidays. If you make a deposit before 5:00 p.m. Monday, Tuesday, Wednesday, Thursday, or 6:00 pm Friday at our Onarga, Chebanse, Loda, or Bradley offices on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after these cut-off times or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

LONGER DELAYS MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the fifth business day after the day of your deposit. However, the first \$100 of your deposits will be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If you deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

If addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the fifth business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, tellers, travelers, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,000 will be available on the fifth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the eleventh business day after the day of your deposit.
